**Subject:** Tottenham Community Sports Centre COVID-19 Update

Dear member

Following yesterday's COVID-19 Government briefing, we regret that with immediate effect, indoor team sports must cease.

This will affect a small, but important, number of our clubs who currently book the main hall for basketball and football.

All other non-contact sports and fitness sessions are, as yet unaffected, providing government and governing association guidelines are followed.

Outdoor team sports are also unaffected at present.

Indoor meetings and prayer groups must ensure that the allocated room is of sufficient size, their numbers do not exceed 30 people, groups of more than 6 must social distance from each other, face masks are worn and singing/raised voices are prohibited.

We will attempt to relocate indoor football teams on our outdoor all-weather pitch where possible although we have a limited number of spaces available. Please email us if you would like to be relocated.

**Because the outdoor pitch is in demand, clubs who do not attend without first giving us 24 hours, notice will forfeit their regular booking.**

All members and users should make sure that they familiarise themselves with the ever changing government guidelines/laws, governing body guidelines and our risk assessment/club guidelines.

Further Sports Centre advice will be issued as and when appropriate.

We are doing our best to keep the sports centre viable but this is a pandemic that is not going to disappear any time soon. Together we will get through this and we look forward to healthier times.

In the meantime, stay safe, respect others and practise social distancing and safety advice.
